## Team Summary

Brian Kocour began his career in 1996 as a commercial real estate agent. He specializes in the lease ups and sales of retail assets which include power centers, neighborhood centers, mixed-used developments, infill high density projects and freestanding buildings. In 2004 Brian added Courtney Auther Van Loo to his team where she successfully completed a runnership program with Brian. Brian prides himself with solid Landlord representation skills and keeps a proactive approach with upcoming market conditions resulting in lower than average vacancy with existing shopping centers.

Courtney Auther Van Loo joined the Retail Group at BRE Commercial in November 2004. She specializes in the leasing and sale of retail properties along with retail tenant representation. More recently Courtney has focused on the sale and leasing of freestanding retail buildings.
